We are happy to announce the official opening of **The Little Bookstore**, a space to discover and explore bilingual children's books.

We welcome parents, families, teachers, and all those who share our love of literature and language, books and stories. BOOK OF THE MONTH

February is the month of love and friendship. Love and friendship start with self-love and self-acceptance. For we can only give and share with others what we are willing to give ourselves. This month we want to spotlight one of our favorite books **“I Like Myself / Me gusta como soy”**, and be inspired to accept the person already we are!
